

JACKMAN P.S. FIELD OF DREAMS PROJECT

Jackman Public School has a proud history of innovative and enviable school ground improvements and greening thanks to the hard work of parents on the Outdoor Environment Committee. What we have works adequately for most activities, however we know there are some challenges and unmet needs. We see these school yard challenges as an opportunity to *come together* and create a new and exciting outdoor space for our kids to play and explore. As neighbours in the community, we are asking for your input.

PUBLIC CONSULTATION

WHEN: THURSDAY JUNE 15, 2017

TIME: 7:00 – 9:00

WHERE: Jackman P.S. - 79 Jackman Ave.
